- 8.2 License Grant.** When you submit, transmit, display, perform, post, or store User Contributions using our Platform, you hereby grant Sniffies and its affiliates and service providers, and each of their and Sniffies' respective licensees, successors, and assigns, to the extent and for the maximum duration permitted by law (including in perpetuity if permitted under law), an unrestricted, worldwide, irrevocable, sublicensable, nonexclusive license to use, host, store, cache, reproduce, publish, display (publicly or otherwise), perform (publicly or otherwise), distribute, transmit, modify, adapt (including to conform it to the requirements of any networks, devices, services, or media through which our Platform is available), and create derivative works of, those User Contributions. The rights you grant in this license are to allow Sniffies to operate our Platform in accordance with their functionality, improve and promote our Platform, and develop new services. The reference in this license to creating derivative works is not intended to give Sniffies a right to make substantive editorial changes or derivations, but does authorize reposting, which allows other users to redistribute User Contributions through our Platform in a manner that allows them to add their own text or other content before or after your User Contribution.

- 8.7 You Upload User Contributions at Your Own Risk.** You acknowledge that you are responsible for any User Contribution you post, and you, not us, have full responsibility for that User Contribution, including its legality, reliability, accuracy, and appropriateness. We are not liable to any person for the content or accuracy of any User Contribution posted by you or any other user. We use reasonable security measures to try to protect User Contributions against unauthorized copying and distribution. But we do not guarantee that any unauthorized copying, use, or distribution of User Contributions will not occur. **We provide any security measures “as is” and we are not making any warranties, guarantees, conditions, or assurances that those security measures will withstand attempts to evade security mechanisms or that there will be no cracks, disablements, or other circumvention of those security measures.** We will not be liable to you for any unauthorized copying, use, or distribution of your User Contributions by nonparties, and to the extent allowed by law, you hereby release all claims you might have against us for any such unauthorized copying or use of the User Contributions, under any equitable or legal theory.

These systems may flag content or accounts for review and, for serious or obvious violations, may trigger automated restrictions. Automated detection is not perfect and does not obligate us to monitor all activity. You may appeal enforcement actions as described in our policies.
- 9.3** Sniffies may:

- (a) Remove or refuse to post any User Contributions for any or no reason;
- (b) Take any action as to any User Contribution that Sniffies considers necessary or appropriate, including if Sniffies believes that the User Contribution is illegal or otherwise violates this agreement, infringes any intellectual property right or other right of any person or entity, threatens the personal safety of the Platform's users or the public, or could create liability for Sniffies;
- (c) Disclose your identity or other information about you if required by law (including subpoena) to anyone who claims that material posted by you violates their rights, including their intellectual property rights or their right to privacy;

9.5 However, Sniffies does not undertake to review material before it is posted on our Platform and cannot ensure prompt removal of objectionable material after it has been posted. Accordingly, Sniffies assumes no liability for any action or inaction regarding transmissions, communications, or content provided by any user or nonparty. Sniffies will not be liable to anyone for performance or nonperformance of the activities described in this section 9.

The amount and form of a refund, and the decision to provide it, is at Sniffies' sole discretion. The provision of a refund in one instance does not entitle you to a refund in the future for similar instances; nor does it obligate Sniffies to provide refunds in the future, under any circumstance.
- 16.7 Chargeback Policy.** We carefully investigate all chargebacks. Chargebacks are initiated when individuals reach out to their financial institutions to dispute a transaction. You must not make unjustified chargeback requests from your payment card provider. You will remain responsible for the consequences caused by such a breach of contract. We will review excessive and potentially fraudulent chargebacks and we may prohibit you from making additional purchases during that review. **If we determine that any chargeback request is fraudulent or was made by you in bad faith, we may suspend or terminate your account or any future account you create.**
- 17. Other Online Purchases.** Our [Terms of Sale](#) govern all other purchases through the Platform or other transactions for the sale of goods formed through the Platform or resulting from visits made by you.
- 18. Links from our Platform.** If the Platform contains links to other sites and resources provided by nonparties, those links are provided for your convenience only. This includes links contained in advertisements, including banner advertisements and sponsored links. Sniffies has no control over the contents of those sites or resources and accept no responsibility for them or for any loss or damage that might arise from your use of them. If you decide to access any of the nonparty websites linked to this Platform, you do so entirely at your own risk and subject to the terms of use for those websites.
- 19. Warranty Disclaimers**
- 19.1** Sniffies provides the Platform "as is" and "as available." You use the Platform at your own risk. You must provide your own device and internet access.
- 19.2** Except as set out in this agreement, and to the extent permitted by law, Sniffies is not making any warranties, express or implied, including implied warranties of merchantability, fitness for a particular purpose, and noninfringement. Among other things, Sniffies is not making any warranty (1) that the Platform, or any part of it, will be available or permitted in your jurisdiction, uninterrupted or error-free, completely secure, or accessible from all devices or browsers; (2) that defects will be corrected; (3) that the Platform or the server that makes it available are free of viruses or other harmful components; or (4) that the Platform or any services or items obtained through the Platform will otherwise meet your needs or expectations. No advice or information, whether oral or written, obtained from Sniffies, the Platform, or elsewhere will create any warranty not expressly stated in this agreement.

19.3 The warranty disclaimers under this section also apply to our subsidiaries, affiliates, and service providers.

19.4 The above does not affect any warranties that cannot be excluded or limited under law.

20. Limitation of Liability

20.1 Except as otherwise provided in section 20.2 and section 20.3, in no event will Sniffies, its affiliates, or their licensors, service providers, employees, agents, officers, or directors be liable for any damages under any legal theory arising out of or from your use, or inability to use, the Platform, and websites linked to it, any content on the Platform or those other websites, including any indirect, special, incidental, consequential, exemplary, or punitive damages, including but not limited to, personal injury, pain and suffering, emotional distress, loss of revenue, loss of profits, loss of business or anticipated savings, loss of use, loss of goodwill, loss of data, and whether caused by tort (including negligence), breach of contract, or otherwise, even if foreseeable. To the extent provided by law, in no event will the collective liability of Sniffies and its subsidiaries and affiliates, and their licensors, service providers, employees, agents, officers, and directors, to any party (regardless of the form of action, whether in contract, tort, or otherwise) exceed the greater of US\$250 or the amount you have paid to Sniffies in the last six months out of which liability arose.

20.2 The limit of liability set out above does not apply to liability resulting from our gross negligence or willful misconduct or death or bodily injury caused by products you purchase through the Platform.

20.3 The above does not affect any liability that cannot be excluded or limited under law.

21. Indemnification. You shall indemnify us against all losses and liabilities—including legal fees—that arise from this agreement or relate to your use of the Platform, including, but not limited to, your User Contributions, any use of the Platform’s content and services other than as expressly authorized in this agreement or on the Platform, or your use of any information obtained from the Platform. We reserve the right to exclusive control over the defense of a claim covered by this section. If we use this right, then you will help us in our defense. Your obligation to indemnify under this section also applies to our subsidiaries, affiliates, officers, directors, employees, agents, and service providers.

22. Dispute Resolution

22.1 Governing Law. Delaware law governs all adversarial proceedings arising out of this agreement or access or use of the Platform.

22.2 Jurisdiction and Venue. Except for disputes subject to arbitration, as the exclusive means of bringing adversarial proceedings to resolve any dispute arising out of this agreement or the subject matter of this agreement, a party may bring such a proceeding in the United States District Court for the Western District of Washington or in a state court in Washington. Each party acknowledges that those courts would be a convenient forum.

22.3 Arbitration

- (a) You and Sniffies are agreeing to give up any rights to litigate claims in a court or before a jury, or to participate in a class action or representative action for a claim. Other rights that you would have if you went to court might also be unavailable or might be limited in arbitration. Any claim, dispute, or controversy (whether in contract, tort, or otherwise, whether pre-existing, present, or future, and including statutory, consumer protection, common law, intentional tort, injunctive, and equitable claims) between you and us arising from or relating in any way to your use of the Platform, will be resolved exclusively and finally by binding arbitration.
- (b) Arbitration Resolution Services, Inc. (ARS) (or a similar online dispute resolution provider if ARS is not available) will administer the arbitration under its rules available at www.arbresolutions.com, then in effect, except as modified by this section 22.3. The Federal Arbitration Act governs the interpretation and enforcement of this section 22.3. The arbitrator will have exclusive authority to resolve any dispute relating to arbitrability or enforceability of this arbitration provision, including any unconscionability challenge or any other challenge that the arbitration provision or the agreement is void, voidable, or otherwise invalid. The arbitrator will be empowered to grant whatever relief would be available in court under law or in equity. Any award from the arbitrator will be final and binding on each of the parties and may be entered as a judgment in any court of competent jurisdiction. If you prevail on any claim that affords the prevailing party legal fees, the arbitrator may award reasonable fees to you under the standards for fee shifting provided by law.
- (c) You may elect to pursue your claim in small-claims court rather than arbitration if you provide us with written notice of your intent to do so within 60 days of the date your claim arose. The arbitration or small-claims court proceeding will be limited solely to your individual dispute or controversy.
- (d) You agree to arbitration on an individual basis. In any dispute, neither you nor Sniffies will be entitled to join or consolidate claims by or against other users in court or in arbitration or otherwise participate in any claim as a class representative, class member, or in a private attorney general capacity. The arbitral tribunal will not consolidate more than one person's claims and will not otherwise preside over any form of a representative or class proceeding. The arbitral tribunal has no power to consider the enforceability of this class arbitration waiver and any challenge to the class arbitration waiver may only be raised in a court of competent jurisdiction.
- (e) If any provision of this section 22.3 is found unenforceable, the unenforceable provision will be severed, and the remaining arbitration terms will be enforced.

22.4 Injunctive Relief. The parties acknowledge that breach by either party of the obligations under this agreement could cause irreparable harm for which damages would be an inadequate remedy. Nothing in this section 22 will prevent either party from seeking

injunctive or other equitable relief from the courts for matters related to data security, intellectual property, or unauthorized access to our Platform, in each case without posting a bond or other security and without proof of actual money damages in connection with the claim.

22.5 Recovery of Expenses. In any proceedings between the parties arising out of this agreement or relating to the subject matter of this agreement, the prevailing party will be entitled to recover from the other party, besides any other relief awarded, all expenses that the prevailing party incurs in those proceedings, including legal fees and expenses.

22.6 Jury Trial Waiver. Each party hereby waives its right to a trial by jury in any adversarial proceedings arising out of this agreement.

22.7 Limitation on Time to Bring Claims. A party shall not bring a claim arising out of this agreement or access or use of the Platform more than one year after the cause of action arose. Any claim brought after one year is barred.

23. Special State Terms Regarding Your Right to Cancel. The following provisions are added to this agreement for subscribers living in Arizona, California, Colorado, Connecticut, Illinois, Iowa, Minnesota, New York, North Carolina, Ohio, Rhode Island, and Wisconsin: You, the buyer, may cancel this agreement, without penalty or obligation, at any time before midnight of the third business day after the original date of this contract, excluding Sundays and holidays.
